April 2014

Dear Sponsors & Supporters,

We are absolutely thrilled to announce that the 2014 Christina Noble Children's Foundation Hong Kong Rugby 7s Ladies Long Lunch was a huge success – **yet again raising a whopping HKD 1.2 million!**

To put this into perspective, this is enough to sponsor 408 children with healthcare, education and nutrition for over one year or to provide more than 103 Mongolian families with a furnished home.

The ladies at the lunch also made an incredible 70 bicycle pledges, which means another 70 children with no other means of transportation will now be able to make it back and forth to school. There were also 47 School Starter Set pledges, providing 47 children all they will need for school for the entire academic year.

You have truly made a difference to so many children's lives by helping us to give them back their precious childhood and the opportunity to realize their life potential; for this we cannot thank you enough.

We're delighted to share this 2 minute video clip of the lunch with you <https://vimeo.com/79187317> and on behalf of the CNCF Events Team - and most importantly - all the children in our care, we would like to express our heartfelt thanks to you for your generous contributions and support.

We very much hope we may look forward to working with you again next year for the 2015 Hong Kong Rugby 7s Ladies Long Lunch.
